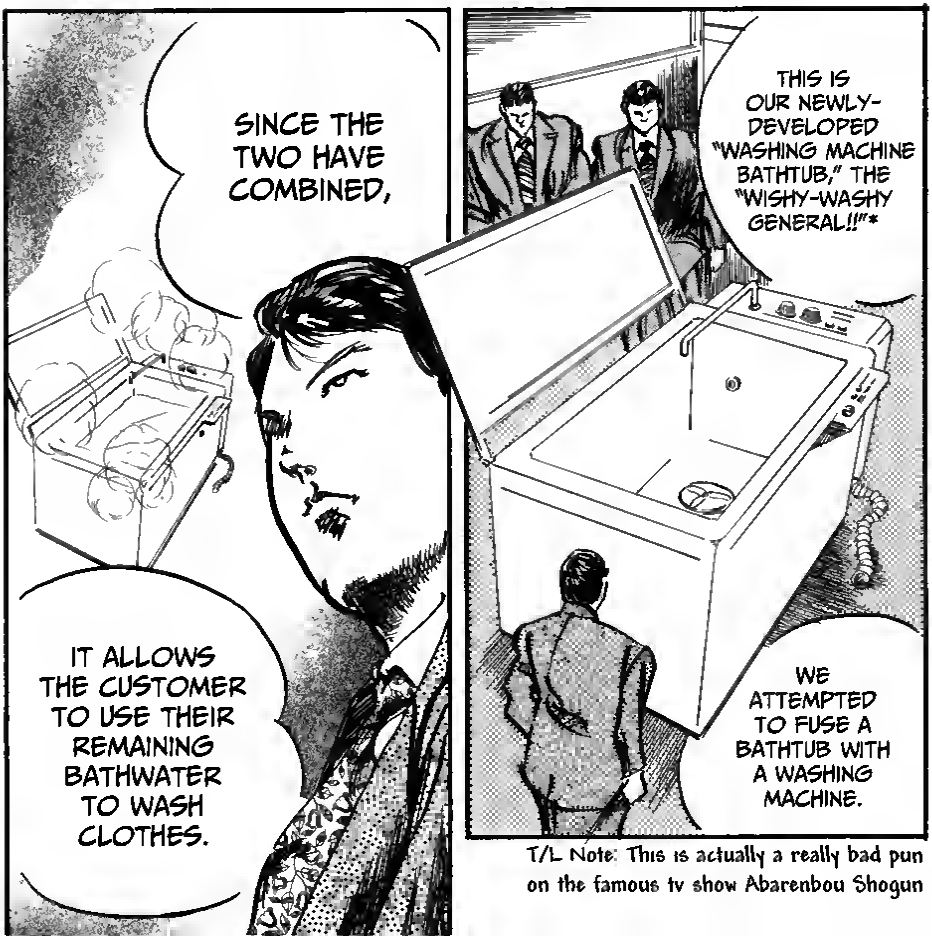
CHAPTER 11

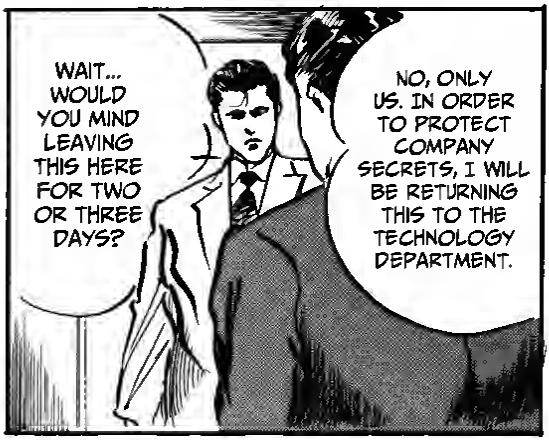
CONCEALMENT



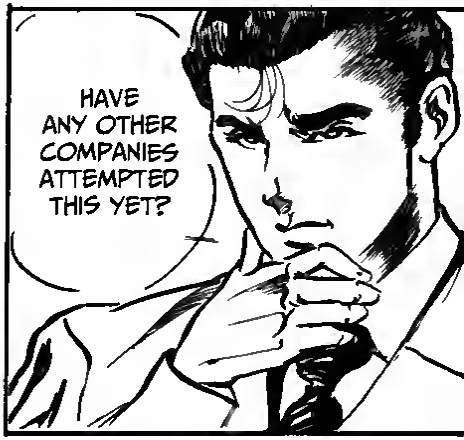
SINCE THE TWO HAVE COMBINED,
IT ALLOWS THE CUSTOMER TO USE THEIR REMAINING BATHWATER TO WASH CLOTHES.
THIS IS OUR NEWLY-DEVELOPED "WASHING MACHINE BATHTUB," THE "WISHY-WASHY GENERAL!!"*
WE ATTEMPTED TO FUSE A BATHTUB WITH A WASHING MACHINE.

T/L Note: This is actually a really bad pun on the famous tv show Abarenbou Shogun

AND IF YOU TURN THE MOTOR ON AND ADD HOT WATER, IT CAN ALSO BE USED AS A JACUZZI!
NOW, IF ONLY WE COULD DEVELOP A TYPE OF SOAP THAT WASHED BOTH SKIN AND CLOTHES...!!
IT REMOVES THE NEED FOR TROUBLESOME TASKS SUCH AS TUB CLEANING.
SINCE BATHING IS ALREADY A TYPE OF WASHING, ALL YOU NEED TO DO IS ADD THE LAUNDRY DETERGENT AFTERWARDS.



WAIT... WOULD YOU MIND LEAVING THIS HERE FOR TWO OR THREE DAYS?
NO, ONLY US. IN ORDER TO PROTECT COMPANY SECRETS, I WILL BE RETURNING THIS TO THE TECHNOLOGY DEPARTMENT.



HAVE ANY OTHER COMPANIES ATTEMPTED THIS YET?

If I don't get all my laundry over here by tomorrow—
...The Section Chief is talking about work during work hours...
